Harrogate has magnificent Victorian buildings, colourful banks of flowers, broad tree-lined boulevards and wide open spaces.

Reminders of the regal era are the 19th century Royal Pump Room Museum housing the original sulphur well and the Royal Baths Assembly rooms.

The beautiful medieval city of York has 2000 years of history in one compact city. The city with much to offer from the splendid York Minster, the Jorvik Viking Centre, the National Railway Centre, to over 30 museums, as well as shopping. Meander through the twisting atmospheric streets, wander the city walls or stop for tea in one of the charming tea rooms.

The world of Wuthering Heights is brought alive in the famous village of Haworth. It is surrounded on all sides by rugged, brooding and picturesque Pennine moorland. Haworth Parsonage, now the Brontë Parsonage Museum was home to the literary sisters from 1820 to 1861. It was here that Charlotte wrote 'Jane Eyre', Emily created 'Wuthering Heights' and Anne penned 'The Tenant of Wildfell Hall'.
