Lake Bled is the leading alpine tourist resort in **Slovenia**. The lake with a church topped island and old medieval castle characterizes Bled as one of the most beautiful tourist sites in Europe. Its natural beauty and historical prominence make it the ideal Slovenian resort. Tranquil waters surrounded by the impressive peaks of the Julian Alps are encompassed by many of the country's natural wonders.

Opatija, one of Croatia most popular resorts is positioned overlooking the beautiful Kvarner Gulf. It is the perfect based for our holiday. A visit to the Istrian Riviera with its breathtaking Adriatic coastline is a highlight to enjoy. The port of Pula, once a key military centre for the Roman Empire, is today one of the busiest harbours in Istria. Pula has many places of interest to visit including the magnificent Roman amphitheatre. Rovinj was built by the Romans on an island with the channel separating it from the mainland was filled in circa 1763 and now forms part of the Istrian Peninsula. A visit to Porec, one of Croatia's most picturesque small towns is also included. A day trip to Krk, one of Croatia's largest and most interesting islands includes a boat trip from Punat to Kosljun.

Our base in Slovenia is the Park Hotel, Lake Bled

Situated right on the lakefront, this 4 star hotel offers an excellent range facilities to guests. The 214 rooms are bright, airy and elegant in style. There are numerous shops and cafes located nearby and a casino located opposite the hotel.
